A check was sent yesterday for the invoice amount that did not include interest/late fees. The check to be sent today is for the interest/late fees.

Richard, will the check include interest/late fees (I'm not sure if that's what you were implying)?
Thanks, lw

All,

I just got off the phone with Marilyn Smith of Environmental Restoration; she said that although they feel interest is not owed to this subcontractor, the plan is to issue a check today and overnight it. She will send out an email with the tracking info. when this has been accomplished.

Joe,

I am currently researching the terms of our contract with the prime to see what clauses flow down and what rights that may confer on the subcontractor.

I left a voicemail with the prime contractor to call and discuss the details of the situation asap.

Paula,

This was subcontracted by Environmental Restoration to the cleaning services company (through our ERRS contract). ER did indicate they were sending an overnight check for the services. I'm not sure if late fees are/were due and if they are being paid by ER and am unsure how much control we would have over this since it was subcontracted.

Rich, can you confirm that any late fees due would need to be worked out between the cleaning service and ER?

Thanks,

Joe

Do you know if late fees are being paid and if not why? Nancy G would like to get on the phone with us about this. If you are not appropriate person to answer can you direct me to who might be?

Also do you know if anyone's talked to the individual directly? Thanks! Paula

This is a heads up that Kelly Roberson, who was conducted the cleaning services at the Gold King Mine Release Incident will be sending out an email complaint to the Durango papers, etc, because she was not paid her full outstanding payment PLUS late fees today.

Joni and Richard Braun worked with ERS to expedite the payment today via overnight check. Since they did not pay the late fee she still plans to start her "email campaign" this evening.

Ms. Roberson:

The email states the payment was being issued.

Janice/Kelley-

Hi,

I am the ER Project Officer for the EPA R8 office. I have spoken w/ER, and was told a check is being mailed today for the invoice dated 10/25/15. I cannot speak for ER, but was informed that typically we are unable to pay vendors so quickly, and an exception was made in this instance to mediate this issue and comply w/the subcontract. Any further issues or concerns should be sent to Richard Braun who is the contracting officer for ER, however I'm hoping since the payment is being sent today everything will be resolved. Thank you and I apologize for any inconvenience.

In the last 30 minutes this is what has happened.

<![if !supportLists]>�. <![endif]>Daniel Knapp sent a return email stating he knew nothing of the terms dates. I have forwarded back to him an email sent to him on 10/12/15 with the terms fully stated in it. He has also stated that **i agreed to his terms of 30 days**. This is a bold face lie. I never agreed to such and would not of done so verbally. He also tells me he no longer has anything to do with it to call Corporate.

<![if !supportLists]>�. <![endif]>I have made two calls to Environmental Restoration on to be sent to S. Reinholds' voice mail. The only call I have received was a misdial from Corporate receptionist.

Next update will be at 12:00 **Maybe I will start calling phone numbers!**
I am pissed off... so I really don't care at the moment who else is pissed off.

Sorry guys and gals. Someone just get me paid and I will just fade away !
!!! I did my job... now someone do theirs, please

Kelley Roberson

TO ANY AND ALL INVOLVED IN THE DURANGO EPA FIELD OFFICE

Daniel Knapp, Jose Negrón was the one who made contact with me. Jose stated he could have us paid via credit card if I wanted to be paid that way, I opted not to as I would lose money. He did tell me he would see to it that we were taken care of. I really don't think this is what Jose Negrón was expecting to happen. I suggest you read the entire email. Thank you.

I have been once again "passed" off. Was not even given a name this time.... just a company phone number to call. I took care of this office in a timely manner and did a damn good job. Not I am getting the run a round.

I am so sorry that I have come to this level of action. I need help. I am adding everyone I have access to this email since no one wants to respond to previous emails and or calls.

MY terms were we would invoice on the 25th of the month DUE by they 5th of the next month. NO OTHER TERMS WERE AGREED TO, so **my terms are what was set.**

Every month I have had to do battle and re explain this. That is sad.

I am now starting a campaign to get the funds I am entitled to immediately. Simple, want me off of everyone's back.. get me paid. I have people calling me who did work on the Durango EPA office I need to pay and due to Environmental Restoration, LLC. failure to recognize terms **they agreed to**, I am having to take multiple unhappy phone calls from from subcontractors. I look at it like this.... if I am unhappy from the phone calls I am receiving or from lack of response and or closure from ERLLC... then other people will join me in being unhappy.

I do want to apologize to those who have been caught is this unhappy happening... but I am at wits end. The next people who will be added to my email and phone campaign are the following:

<![if !supportLists]>�. <![endif]>City of Durango

<![if !supportLists]>�. <![endif]>Dean Brookie - Mayor

<![if !supportLists]>�. <![endif]>Christina Rinderle - Mayor Pro Tem

<![if !supportLists]>�. <![endif]>Sweetie Marbury - Councilor

<![if !supportLists]>�. <![endif]>Dick White - Councilor

<![if !supportLists]>�. <![endif]>Keith Brant - Councilor

<![if !supportLists]>�. <![endif]>Durango Herald

<![if !supportLists]>�. <![endif]>Inside Durango TV

<![if !supportLists]>�. <![endif]>Every activist group I can find.

No threats... just trying to get paid NOW.

THIS will be started at 2:00 this afternoon. Want to stop it... **then someone respond and get me paid please. IT IS**

THAT SIMPLE.

**AGAIN, "WHO EVER" AGREED TO MY TERMS. DON'T
PUSH ERLLC "TERMS" AT ME AGAIN.**

**Daniel, I can't seem to find someone to take a call at the 636-227-
7477 number, it just goes to voice mail.**
